Subject: Corrections to Pre-Filed Testimony at Hearing on April 4, 2022

Folks:

Good morning! I wanted to mention the subject of possible corrections that may come up for pre-filed testimony at the hearing. If there are such corrections, we would like an errata sheet for such corrections. After the hearing is over, we would also like you to re-file whatever testimony that had to be corrected with the Commission, so that it may be placed on the Docket Management System.

Thanks,

David Butler
